PROTECTED WHEN COMPLETE

Necessary measures have been taken to protect the confidentiality of the information you provide. The information you provide is collected under the authority of the CSA Act. This information will be used for the selection of candidates for the Aerospace Medicine Elective. Personal information of candidates not retained will be stored in the Personal Information Bank, CSA PPU 030, for 2 years. Personal information (such as contact information, biographical information, etc) about the successful candidates will be retained along with the results of their research for historical purposes. It is protected under the Privacy Act. According to the Privacy Act, the individual being evaluated has rights with respect to the information you submit. This individual may, upon request, (1) be given access to his/her file and (2) have incorrect information corrected or have a notation attached.

3. Please elaborate on your evaluation of the applicant including comments on his/her character and interpersonal skills.
