General Information

1. This form can only be used for payments deposited in Canada or in the USA.
2. If, after the start of direct deposit, you wish to revoke your direct deposit authorization OR change your financial institution, the branch of your financial institution or your account number you must complete a new Direct Deposit Request Form. **When you request one of these changes, DO NOT close your present direct deposit account until you receive your payment in accordance with that change.**
3. **All payments over \$5,000** will be subject to a one-time **test deposit** to ensure the payment is made to the correct bank account. This means that your first payment over \$5,000 may be delayed while Canadian Space Agency confirms the accuracy of your banking information. A payment of under \$10 will be deposited to your account to test your banking information. Once you confirm with you that you have received the small payment, the remaining amount of the payment will be deposited into your account. This process will only occur once unless you change your banking information.
